

DEAR MENLO CHURCH FAMILY,

Greetings from your Senior Pastor Search Committee (SPSC). We would like to update you on our activities of the past month. AGORA Search Group is starting to reach out to potential Senior Pastor candidates and reporting back on initial conversations. We are starting to familiarize ourselves with the preaching of potential candidates by listening to their recorded sermons. The search team is meeting weekly to coordinate how we will evaluate the qualities of the pastoral candidates. We are praying that God guides us to the Senior Pastor whom He has selected for Menlo Church.

Members of the SPSC are organizing church-wide prayer and invite you to pray with us, whether by individual prayer, by requesting and praying along with a prayer guide, or by joining us on Tuesday mornings twice monthly at 8:00 am by Zoom. The Tuesday morning time will last about 45 minutes and include a brief reading of scripture and group prayer. We will also provide a prayer guide for that time.

Please contact Beth Seabolt and Jennifer Blatnik at SrPastorPrayer@menlo.church and indicate your interest in either receiving a prayer guide or joining us by Zoom on the first and third Tuesday mornings of each month.

The SPSC continues to appreciate your ideas, recommendations, and invites you to share them with us at SPSC@menlo.church. Thank you for joining us in this journey.

In Him,

SPSC (SENIOR PASTOR SEARCH COMMITTEE)
